

What You Need To Know About Diversity

Malle Kaas, Freelance sound engineer, CEO of Women In Live Music

Come along and play the legendary Diversity BS Bingo and learn everything about diversity that you didn't know you needed to know! Great prizes to win!

According to Women In Live Music (WILM), a European organisation for women working backstage, the stagnation of diversity in the event industry is caused mainly by three factors: Imposter syndrome, Hidden harassment & Lack of visibility.

Malle Kaas, sound engineer, co-founder & CEO of WILM will guide the audience through the many obstacles the industry is facing when it comes to achieve a sustainable number of more diversity backstage in production, logistics and technique, by playing WILM's legendary BS Bingo, spiced up with anecdotes from the road.
